

**REMARKS/ARGUMENTS**

Claims 1 through 74 are pending in this application.  
Claims 66 through 74 have been withdrawn.

The Office Action asserts that an election of a single invention is required, as defined by claims 1-65 drawn to a fluid delivery system or claims 66-74 drawn to a method of heating fluid. Applicants respectfully traverse because each of the groups as set forth in the Office Action has the common invention set forth in independent claims 1, 17, 33, 49 and 66. Additionally, it would be more cost efficient and expeditious to prosecute all of these claims together. Notwithstanding the foregoing, to comply fully with the election requirement, applicants elect with traverse to prosecute group I, which includes claims 1 through 65. Consideration and allowance of the application is respectfully requested.
